Relief

23. Section 109(b)(1) of CERCLA authorizes a civil penalty of not more than \$25,000 per day for each day during which a violation continues for any violation of the requirements of Section 103(a) of CERCLA. Under the Debt Collection Improvement Act of 1996 as implemented by the Civil Monetary Penalties Inflation Rule, 40 C.F.R. Part 19, penalties of up to \$27,500 per day for each day a violation continues may be assessed for violations of CERCLA Section 103 that occur after January 30, 1997. The penalty proposed in paragraph 15 above is based upon the facts stated in this Complaint, and on the nature, circumstances, extent, and gravity of the above-cited violation, and with respect to the Respondent, ability to pay, any prior history of such violations, degree of culpability, economic benefit or savings (if any) resulting from the violations, and such other matters as justice may require in accordance with CERCLA and the

Enforcement Response Policy for Sections 304, 311, and 312 of EPCRA and Section 103 of CERCLA. This policy provides a rational, consistent and equitable calculation methodology for applying the statutory penalty factors enumerated above to particular cases.

24. Section 325(b)(2) of EPCRA authorizes a civil penalty for violations of the requirements of Section 304 of EPCRA of not more than \$25,000 per day for each day during which the violation continues. Part 19, penalties of up to \$27,500 per day for each day a violation continues may be assessed for violations of EPCRA Section 304 that occur after January 30, 1997. The penalty proposed in paragraph 21 above is based upon the facts stated in this Complaint, and on the nature, circumstances, extent, and gravity of the above-cited violation, and with respect to the Respondent, ability to pay, effect on ability to continue to do business, any history of prior such violations, degree of culpability, and such other matters as justice may require in accordance with EPCRA and the Enforcement Response Policy for Sections 304, 311, and 312 of EPCRA and Section 103 of CERCLA. This policy provides a rational, consistent and equitable calculation methodology for applying the statutory penalty factors enumerated above to particular cases.

25. The proposed penalties as set forth in this Complaint are based on the best information available to EPA at the time that the Complaint was issued. NOTICE OF OPPORTUNITY TO REQUEST A HEARING

Answer and Request for Hearing

28. If Respondent pays the proposed penalty within thirty (30) days after receiving the Complaint, then no Answer need be filed.
29. Any Respondent who wishes to resolve a proceeding by paying the proposed penalty instead of filing an Answer, but who needs additional time to pay the penalty, may file a written statement with the Regional Hearing Clerk within thirty (30) days after receiving the Complaint stating that Respondent agrees to pay the proposed penalty in accordance with Rule 22.18(a)(1) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits; codified at 40 C.F.R. Part 22 (hereinafter "Consolidated Rules"). The written statement need not contain any response to, or admission of, the allegations in the Complaint. Respondent must then pay the full amount of the penalty within sixty (60) days of receipt of the Complaint. Failure to pay the full penalty within sixty (60) days of receipt of the Complaint may subject the Respondent to default.
30. Respondent may request a hearing to contest any material fact contained in the Complaint above or to contest the appropriateness of the proposed penalty set forth therein. Such a hearing will be held and conducted in accordance with the Consolidated Rules, a copy of which is enclosed herewith.
31. To avoid being found in default, which constitutes an admission of all facts alleged in the Complaint and a waiver of Respondent's right to contest such factual allegations, Respondent must file a written answer and request for hearing within thirty (30) days of service of this Complaint and Notice of Opportunity for Hearing. The answer shall clearly and directly admit, deny, or explain each of the factual allegations contained in this Complaint with respect to which Respondent has any knowledge, or shall clearly state that Respondent has no knowledge as to particular factual allegations in this Complaint. The answer shall also state (a) the circumstances or arguments which are alleged to constitute the grounds of defense; (b) the facts that Respondent intends to place at issue; and (c) whether a hearing is requested.

32. Failure to deny any of the factual allegations in the Complaint constitutes an admission of the undenied allegations. The answer shall be filed with the following:

Regional Hearing Clerk
United States Environmental Protection Agency
Region 7
901 North Fifth Street
Kansas City, Kansas 66101

33. If within thirty (30) days of service of this Complaint and Notice of Opportunity for Hearing, Respondent fails to: (1) submit full payment of the penalty; or (2) submit a written statement to the Regional Hearing Clerk that Respondent agrees to pay the penalty; or (3) file a written answer and request for a hearing, Respondent may be found in default. Default by the Respondent constitutes, for the purposes of this proceeding, admission of all allegations made in the Complaint and a waiver of Respondent's right to contest such factual allegations. A Default Order may thereafter be issued by the Presiding Officer and the civil penalties proposed shall be ordered unless the penalty is clearly inconsistent with the record of the proceeding or CERCLA and EPCRA.

Informal Settlement Conference

34. Whether or not Respondent requests a hearing, an informal conference may be requested in order to discuss the facts of this case, the proposed penalty, and the possibility of settlement. To request a settlement conference, please contact:

Rupert G. Thomas
Assistant Regional Counsel
United States Environmental Protection Agency
Region 7
901 North Fifth Street
Kansas City, Kansas 66101
Telephone (913) 551-7282

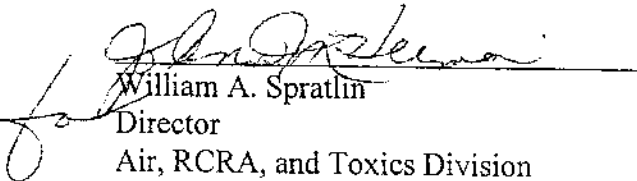

35. Please note that a request for an informal settlement conference does not extend the thirty (30) day period during which a written answer and request for a hearing must be submitted.

36. EPA encourages all parties against whom a civil penalty is proposed to pursue the possibility of settlement through an informal settlement conference. Any settlement which may be reached as a result of such a conference shall be embodied in a written Consent Agreement and Final Order. The issuance of such a Consent Agreement and Final Order shall constitute a waiver of Respondent's right to request a hearing on any matter stipulated therein.

37. If Respondent has neither achieved a settlement by informal conference nor filed an answer within the thirty (30) day time period allowed by this Notice, the penalties proposed above may be assessed by the entry of a Default Order.
